

July 16, 2021

Dear Collaborators,

we are pleased to inform you that we are exhibiting at the machine tool show

taking place from 4th to 9th **October 2021 — Hall 3 – Booth D04/E03 - D02/E01**

Parpas Group will exhibit the SPEEDLINER, and the renewed ACTIVE LINEAR and the new mobile column machine MANTA.

Attached you will find the presentation sheets of the machines on display which can be used and customized for your own invitations.

It will be also an important opportunity to compare ourselves with the worldwide market, both for the technology aspect and for the sales, pleased to discuss any items focused to reach a reciprocal greater success.

Certain you will invite all costumers, you will all be most than welcome in our booth.

Best regards.
